The fresh flowers in the church were donated by the Lukin family.

Due to increased Coronavirus infections in our area and seasonal flu which will come with cold weather, and out of Christian love and care for the safety and health of our faithful and people around them, our Bishop requires all who come to church for worship to wear a mask. The old instructions including social distancing in church are still in effect. If any of our faithful do not feel safe and/or are not healthy, please stay home. During the service singers, chanters and clergy are not required to wear a mask. If any of the faithful feel that wearing a mask is causing difficulty with breathing, he/she can take it off during the service and put it back on when leaving the church. Hand sanitizer is available in several areas in our church. Any faithful who feel it is not safe to attend Sunday worship, please attend one of the weekday or Saturday evening services which are attended by much fewer people. You may also call Fr Aleksandar to open the church for you to come and pray, light candles, and receive the Holy Mysteries at any time!

Forms are now available at the warden's stand for members interested in serving on the 2021 Church-School Board.

After the liturgy when you receive prosphora, blessed bread from the priest, make sure you consume all of it and even the crumbs because it is all part of the blessed bread. After you venerate all ikons and come to receive the prosphora, make sure you cross your right hand over left, and after the priest places the bread in your hands, please consume it all. If you want to save some for your family/friends who could not come or save for another day, make sure you have a small ziplock to put the bread inside. The crumbs and even bigger pieces of bread were found on the church floor on the way out and it should never happen. Please be more careful.

Црква је увек отворена за све који се осећају здраво и безопасно да дођу. Ставите маску на лице кад уђете у цркву, ако желите скините је у цркви за време молитве и опет ставите кад излазите. Света причест се није никада прекидала за све духовно припремљене вернике. Мало забаците главу и отворите уста тако да вам кашичица не додорује усне. Уколико желите доћи у цркву преко недеље и Богу се помолити и свеће упалити или се причестити, јавите свештенику да вам отвори цркву.

Ове године прослава крсне славе обавиће се у многим кућама у кругу породице због пандемије. Можете донети колач и жито у цркву да се посвете или позовите свештеника кући. У сваком случају јавите свештенику какав вам је план. Уколико нисте у могућности било шта да радите за славу, позовите о. Александра ако желите да упали свеће у цркви за вас и ваше умрле и дајте му имена да помене на литургији. Јавите о Александру ако имате жељу донети свеже цвеће у цркву.

Coronavirus Prayer

O Lord our God enter not into judgement with Thy servants, and protect us from the pestilence coming onto us. Spare us, Thy humble and unworthy servants, who in repentance, with a warm faith and contrition of the heart, are falling down before Thee, our merciful and beneficent God, and trusting in Thy mercy. Thine is mercy and salvation, our God. Glory to Thee, to the Father, and to the Son, and to the Holy Spirit, both now and ever, and unto the ages of ages. Amen.

Go in Peace to Love and Serve the Lord!
